

Bacaro menù inglese

Bacaro della pizza was born to create a new idea of aperitif and more, combining the tradition of the Venetian Bacaro and the mastery in white art of Fattore F.

TOKETIN

Tokenin was born to revisit the classic Cicchetto of the Venetian Bacari. It is a pizza dough made of mother yeast and stone-ground flours stuffed with typical ingredients of the Venetian and Vicentine tradition.

PIZZA IN TEGLIA ALLA ROMANA

A golden and thin crunchy veil hides a delicate and melting inside that gives this dough a pleasant balance to the palate. Pizza in baking pan with sourdough and semi-wholemeal stone-ground flours to release the true taste of wheat.

Margherita: € 3.50

Filled: € 5.00

PIZZA IN PALA

Light, crunchy and easily digestible; this dough is characterised by the presence of a high percentage of water that allows to obtain a honeycomb structure and a unique fragrance. Result of a long leavening and stone-ground integral flours and not.

Margherita: € 3.00

Filled: € 4.50
